The narrative should minimally (limited to four, double-spaced pages) explain the following. Each section is worth 2 points and should be identified clearly in narrative by including subheader. 1) SCOPE: The proposed scope of the project, including the target population, and experience with successfully implementing a Housing First approach. 2) COORDINATED ENTRY: How the project interfaces with coordinated entry to re-house the most vulnerable, high need populations as quickly as possible. 3) SUPPORT SERVICES: How the project maintains and provides cost-effective, trauma-informed support services. 4) ADVANCE EQUITY: How the project and organization: a) Identifies barriers to participation faced by persons of different races or ethnicities, particularly Black, Native American, Native Alaskan, Native Hawaiian/Pacific Islanders who are overrepresented in the CoC's homeless population and steps the project takes to address them b) Involves persons with lived experience in program feedback and decision making. 5) OTHER: Any other information the applicant deems pertinent for the Score and Rank Committee to know and understand.
